Earn  EGGs by playing mini-games.

Upgrade your farm and stack that passive  EGGs income.

Rack up even more  EGGs by inviting your friends.

Complete quests, build your squad, and watch your  EGGs grow even bigger.

All those  EGGs are points that'll get converted into a fat \$SCRG token airdrop for the most active players.

You need more  EGGs to snag bigger slice of that \$SCRG pie!
